Announcing Southern Conclave of Chi Zeta Chi and "Home Coming of Georgia Chi's," Atlanta, Georgia, December 29-30, 1916.

Pasted in Ruth Cain's 1915-1916 Scrapbook, along with a yellow banner.

*"To Be or Not to Be" in Atlanta, for the
Chi Convention—That's the Question for
Every Georgia Chi, Especially.*

(EXTRACTS CONCERNING THE CONVENTION AT MEMPHIS)

"Only those men who have tasted the joys and delights of a Chi Zeta Chi Convention can appreciate my sorrow at having to forego my trip to Memphis."—Geo. I. Peterson, S. E. M.

"The stories that Brothers House and McNeil bring back are truly entertaining. . . . And I am strongly suspicious that the entertaining committee down there simply turned the 'pep-bug' loose . . ."—Robert H. Mellen, Theta.

"I returned to St. Louis feeling truly repaid for my trip, and feeling more than ever my loyalty for old Chi."—Jno. Roy Ranson, E. M., Omicron.

Brothers: From the above you can get an idea of what a Chi Convention means. It is not often that we have the privilege of attending a fraternity Convention. Let us not pass up this opportunity. This is to be a Conclave in name, BUT a Convention in reality. Georgia is the Home of Chi Zeta Chi. Come to Atlanta and see what our birthplace has done in twelve years. Help us to celebrate fittingly our most marvelous growth and progress. A "Chi Time for Chi's" DURING TWO WHOLE DAYS AND NIGHTS. A real "Home Coming" of Georgia and Southern Chi's. Meet the brothers (and there are about two hundred and fifty in Georgia), whom you have not seen since graduation, in Atlanta DURING THE HOLIDAYS.
